

ESN SEA BATTLE

PASSENGER

17/11/2013 - 20/11/2013

I hereby agree that ESN does not take any responsibility whatsoever for any damage that a participant of a trip or activity arranged by ESN may cause ESN or any third party (i.e. travel companies, hostels, hotels etc.). ESN has the right to seek reparation for any cost that a participant causes ESN.

I also agree to follow the rules given by ESN and Tallink Silja, and to follow the crew's instructions regarding safety and order on-board.

Also, if I agree upon participation in any of the pre-paid activities made available, I am not entitled to any refund once payment is made.

Furthermore, in signing this document, I take full responsibility if I decide to not return on any pre-booked transportation (bus or ferry). If a participant fails to attend any pre-paid activity or misses any pre-booked transportation, no refund or compensation will be paid by ESN. In the event of an accident requiring additional professional care, such as an ambulance or hospital, you must contact your ESN group leaders for further instructions.

And finally, I understand that ESN and its local sections are not responsible for any visa or other entry documents that I might be required to present in order to visit any of the ESN Sea Battle's destinations. I also understand that ESN can't refund me in case I am not entitled entry to any destination.

Remember, you are responsible for you actions!

All formalities aside, most importantly of all... ENJOY YOUR TRIP!
